PROPERTY DESCRIPTION

This spectacular home leaves nothing to be desired. Built by a top rated Elmhurst custom home builder in 2004, the near new condition makes a great first impression while lasting details set this home apart from the rest.

Stamped and stained concrete in the driveway and walkway set the bar high upon first sight, complimenting the beautifully finished exterior of brick, stone, and stucco. A six foot vinyl privacy fence allows peace quiet in your spacious backyard, perfectly landscaped and equipped with sprinkler system. Brazilian cherry hardwood flooring greets you in the foyer, and continues on through the first level of the home. An ideal floorplan situates the living room and dining room adjacent for easy entertaining. The living room embodies comfort and elegance with large view windows, crown molding, and soft recessed lighting.

A dining room for two or ten, this versatile room accommodates holiday guests or weeknight dinners. Chair rail and crown molding accents a recessed ceiling with chandelier and soft overhead lighting.

Contemporary meets classic in this incredible kitchen, ideal for any home chef. Features include granite countertops, island with veggie sink, Dacor oven and gas cooktop with exhaust hood, Bosch dishwasher, fine wood cabinetry with under cabinet lighting, decorative tile backsplash, and a work desk. Have casual meals at the island, in the breakfast area, or take it out back on the deck with security door entry from the kitchen.

Retreat to the family room for solace, relaxation, or entertainment. A wood burning fireplace with brick and stone surround serves as the focal point of the room, with neutral decor, ceiling fan and overhead lighting, and carpet flooring for comfort.

A dramatic second floor hallway with a skylight and custom ceiling provides a graceful introduction to the nicely laid out bedrooms. The sophisticated master bedroom suite will feel as if you're in your a four star resort every night, down to the wood burning fireplace and convenient dry butler with beverage fridge. The large walk-in closet is sure to win over any shoe collector or fashion lover. Enjoy a nice soak after a long day in your jacuzzi tub with separate shower in the master bathroom, complete with double vanity, dressing table, and plenty of storage.

Additional bedrooms are both spacious and private, with view windows and ceiling fan lighting. The accommodating guest bathrooms highlight neutral decor, tile flooring and a shower over tub with tile surround, as well as a convenient Jack and Jill bathroom.

A spacious second floor laundry room offers a Bosch front loading washer and dryer, abundant cabinetry for linens and storage, as well as ample counter space for folding and ironing.

Until you've seen the finished basement, you haven't seen it all. The envy of the neighborhood, this space has been transformed into a home fitness center with acid treated and stained concrete, and combined entertainment room. A full bathroom with glass enclosed shower is also conveniently located on this level.

Other details include an intercom system, Opus Hi-Fi surround sound, radiant heating, painted custom entry doors, security system, and insulation in all partitions and floors for peace and quiet through the home. Live comfortably in this ideal location, tucked away in the Lincoln Elementary School district, and walking distance to York Commons park and pool!
