PROPERTY DESCRIPTION

This home has been meticulously maintained and tastefully updated. The eat-in kitchen boasts stainless steel appliances, complimented by white cabinetry and hardwood flooring. Grab a quick bite to eat at the peninsula bar, or prepare a three-course meal on ample counter space. Contemporary flair enhances the design of the kitchen, while elegant lighting fixtures soften the home. The open floorplan combines the living and dining room with unifying hardwood flooring throughout. Entertaining is easy, as guests can flow from room to room with ease. The kitchen opens up to the super-sized family room which welcomes you with cozy carpeting. Step out to the spacious patio, or let a cool summer breeze in through the sliding glass doors.

The finished lower level rec room with overhead lighting is an ideal space for exercise equipment, watching movies, or hosting play time. Retreat to the gracious master suite with his and hers closets and private bath. This amenity rich home leaves no detail overlooked with brushed nickel, tile flooring, and a tile shower with tub in the guest bathroom, and neutral colors and tile flooring in the master bathroom. The guest bedrooms feature hardwood flooring, ceiling fans, and corner windows set high to bring in plenty of natural light. Park the car without disturbing anyone in the household, as the garage with automatic opener is detached from the home and set back on the driveway. This home is also conveniently located on a quiet cul-de-sac, walking distance to east end pool and park!
