PROPERTY DESCRIPTION

Exquisite all stone home with a French Normandy design - stunning from the inside out. Two full stone chimneys featuring four masonry fireplaces, twelve Egress arch-topped windows and the custom hand-forged wrought iron front door will take your breath away. Once inside this four level residence, the 10-foot ceilings, five bedrooms all with switched ceiling fans and six bathrooms give you plenty of room to relax and enjoy your surroundings.

Main level with three inch white oak hardwood flooring leads you from the mahogany paneled library to the mud room with maple lockers, slate flooring, Bosch washer/dryer, and distressed maple cabinets with low voltage under-cabinet lighting. The kitchen is a chef's dream, boasting solid maple custom cabinetry - stained and glazed, granite countertops, 48-inch dual fuel Wolf oven/range with convection oven and griddle, subzero refrigerator, and a wet butler's pantry.

There is no better escape at the end of your day than to your own personal spa-inspired master bathroom. Solid cherry cabinetry, granite countertops, under-counter beverage center as well as polished marble flooring set the scene. One soak in the Kohler Proflex oval whirlpool or use of the shower with bench, body sprays and steam unit, and you'll feel as though you are on a life-long spa retreat.

Create a wealth of entertaining options with your fully finished basement offering a home theater room, gym, wine cellar, wet bar, locker room with four-person steam shower, and generous storage room. Warm summer nights are sure to be enjoyed outdoors on the stamped concrete patio perfectly placed in the middle of the professionally landscaped backyard. The cherry on top is its ideal location near town, schools, parks and train station. This is the home of your dreams - what are you waiting for?
